Thank God every morning when you get up that you have something to do which must be done, whether you like it or not. Being forced to work, and forced to do your best, will breed in you temperance, self-control, diligence, strength of will, content, and a hundred other virtues which the idle never know.

Editor's Message . . .

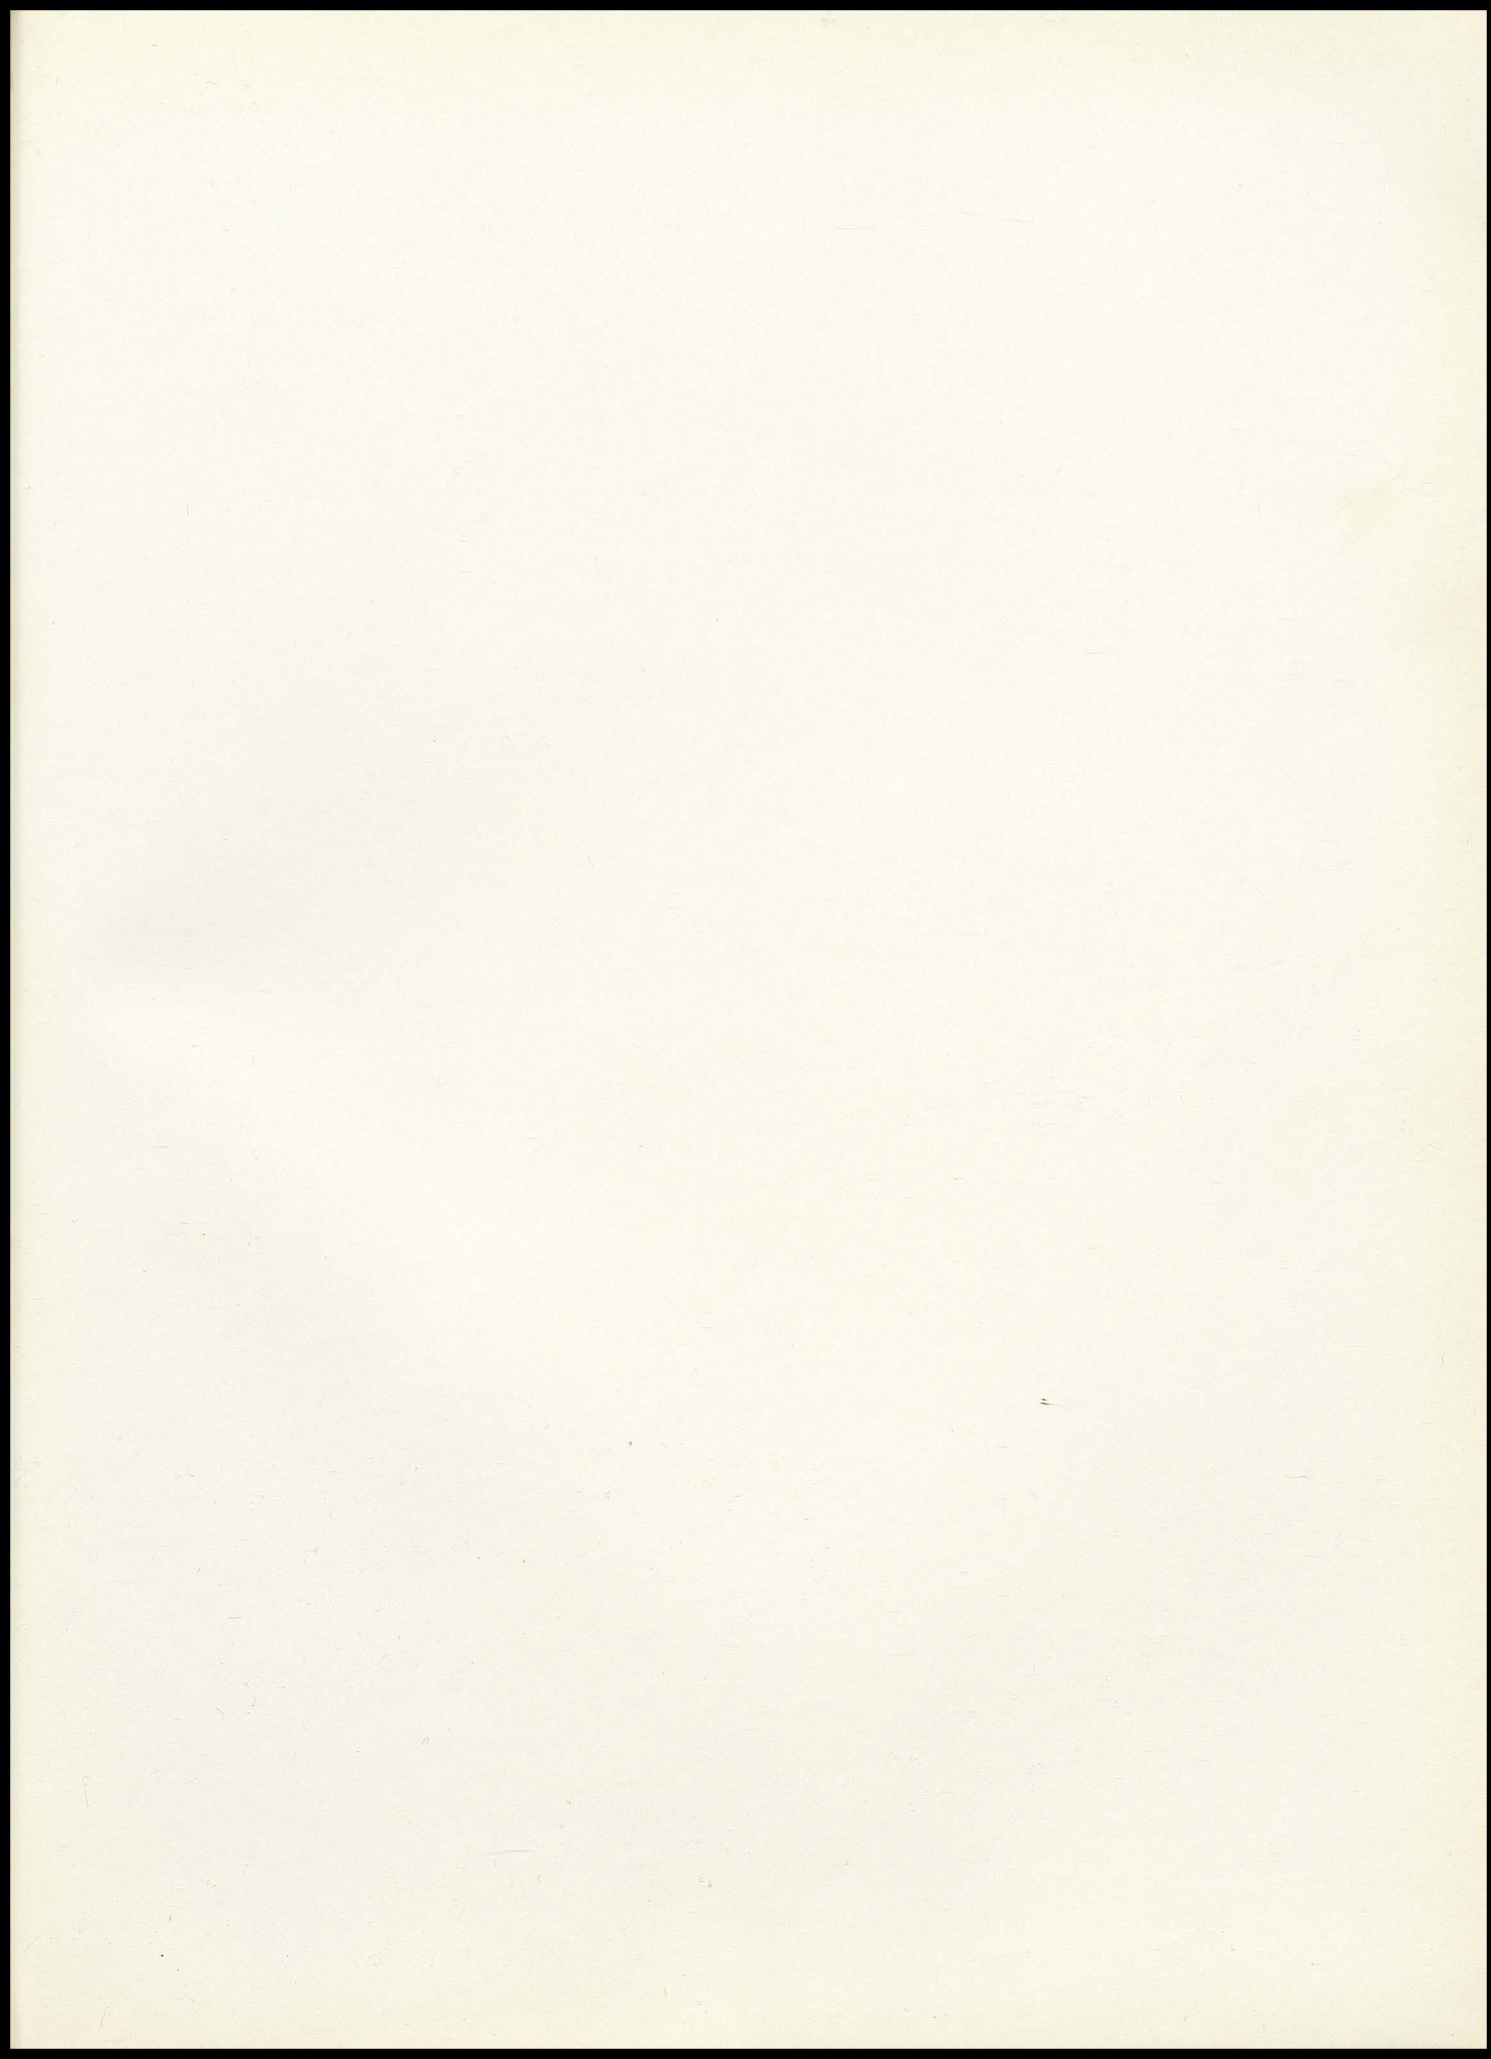

As the school year of 70-71 comes to a close, the SEQUOYAH editorial staff hopes to have captured some of the wonderful memories of each student at Fair Park High School. Through diligence and hard work the yearbook editorial staff has completed their job to produce the 1971 SEQUOYAH, in order that you might always be able to relive those exciting times as a Fair Park Indian. To merely say thanks could never be enough to express my appreciation for the many hours of time, patience and perseverance displayed by each editor on the staff. However, their work is visible and the gratitude for their particular task is sincere.

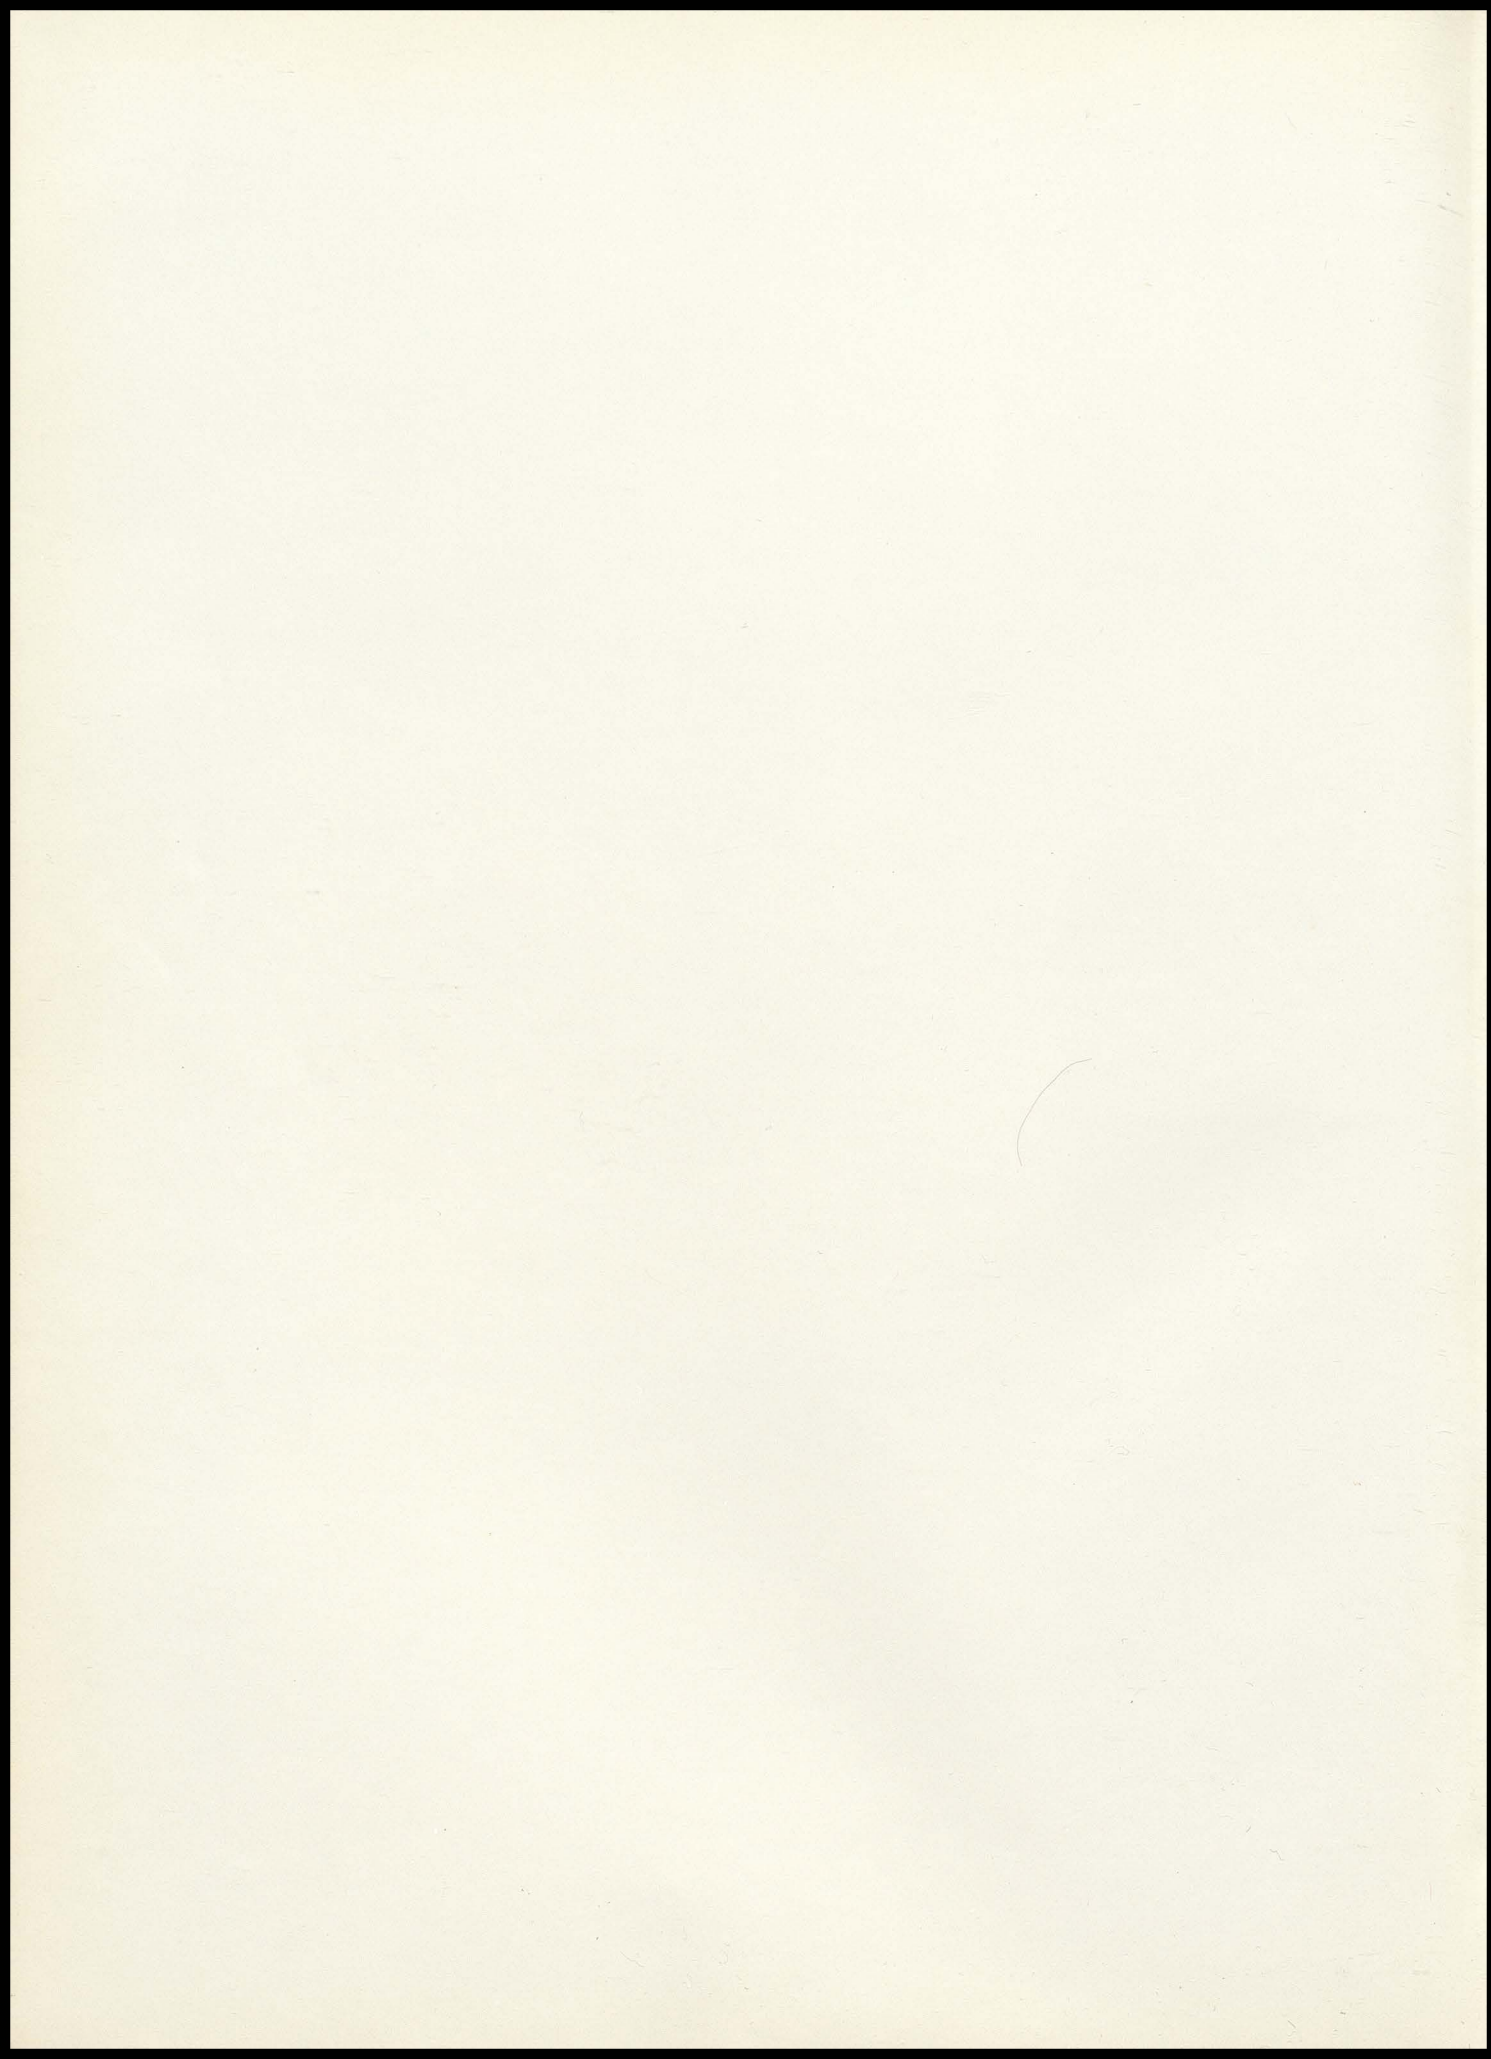

Other than the work of the staff, many people must also be mentioned for their valuable time and their willingness to help in any way possible. The staff wishes to convey its appreciation for endless hours of professional photography done by Kurvis Burns and his assisting photographers. Their work is that which is a must to compile a yearbook. Without the help of Mr. Fred Elsing, Sr. and Mr. Chuck Fowler, our Taylor Representatives, the completion of the book would have been impossible. Their constant assistance and advice is greatly appreciated. Many hours of detailed work must be taken care of and to Mrs. Reynolds' COE class the staff extends much gratitude for their tireless help. To the faculty and administration we must say thanks for the cooperation given us as we tried to meet deadlines. Lastly, yet most important the SEQUOYAH editorial staff wishes to extend a very special thanks for the dedication and understanding of Mrs. Judy Reynolds. Nothing could be said to equal what she has done for the 1971 SEQUOYAH.

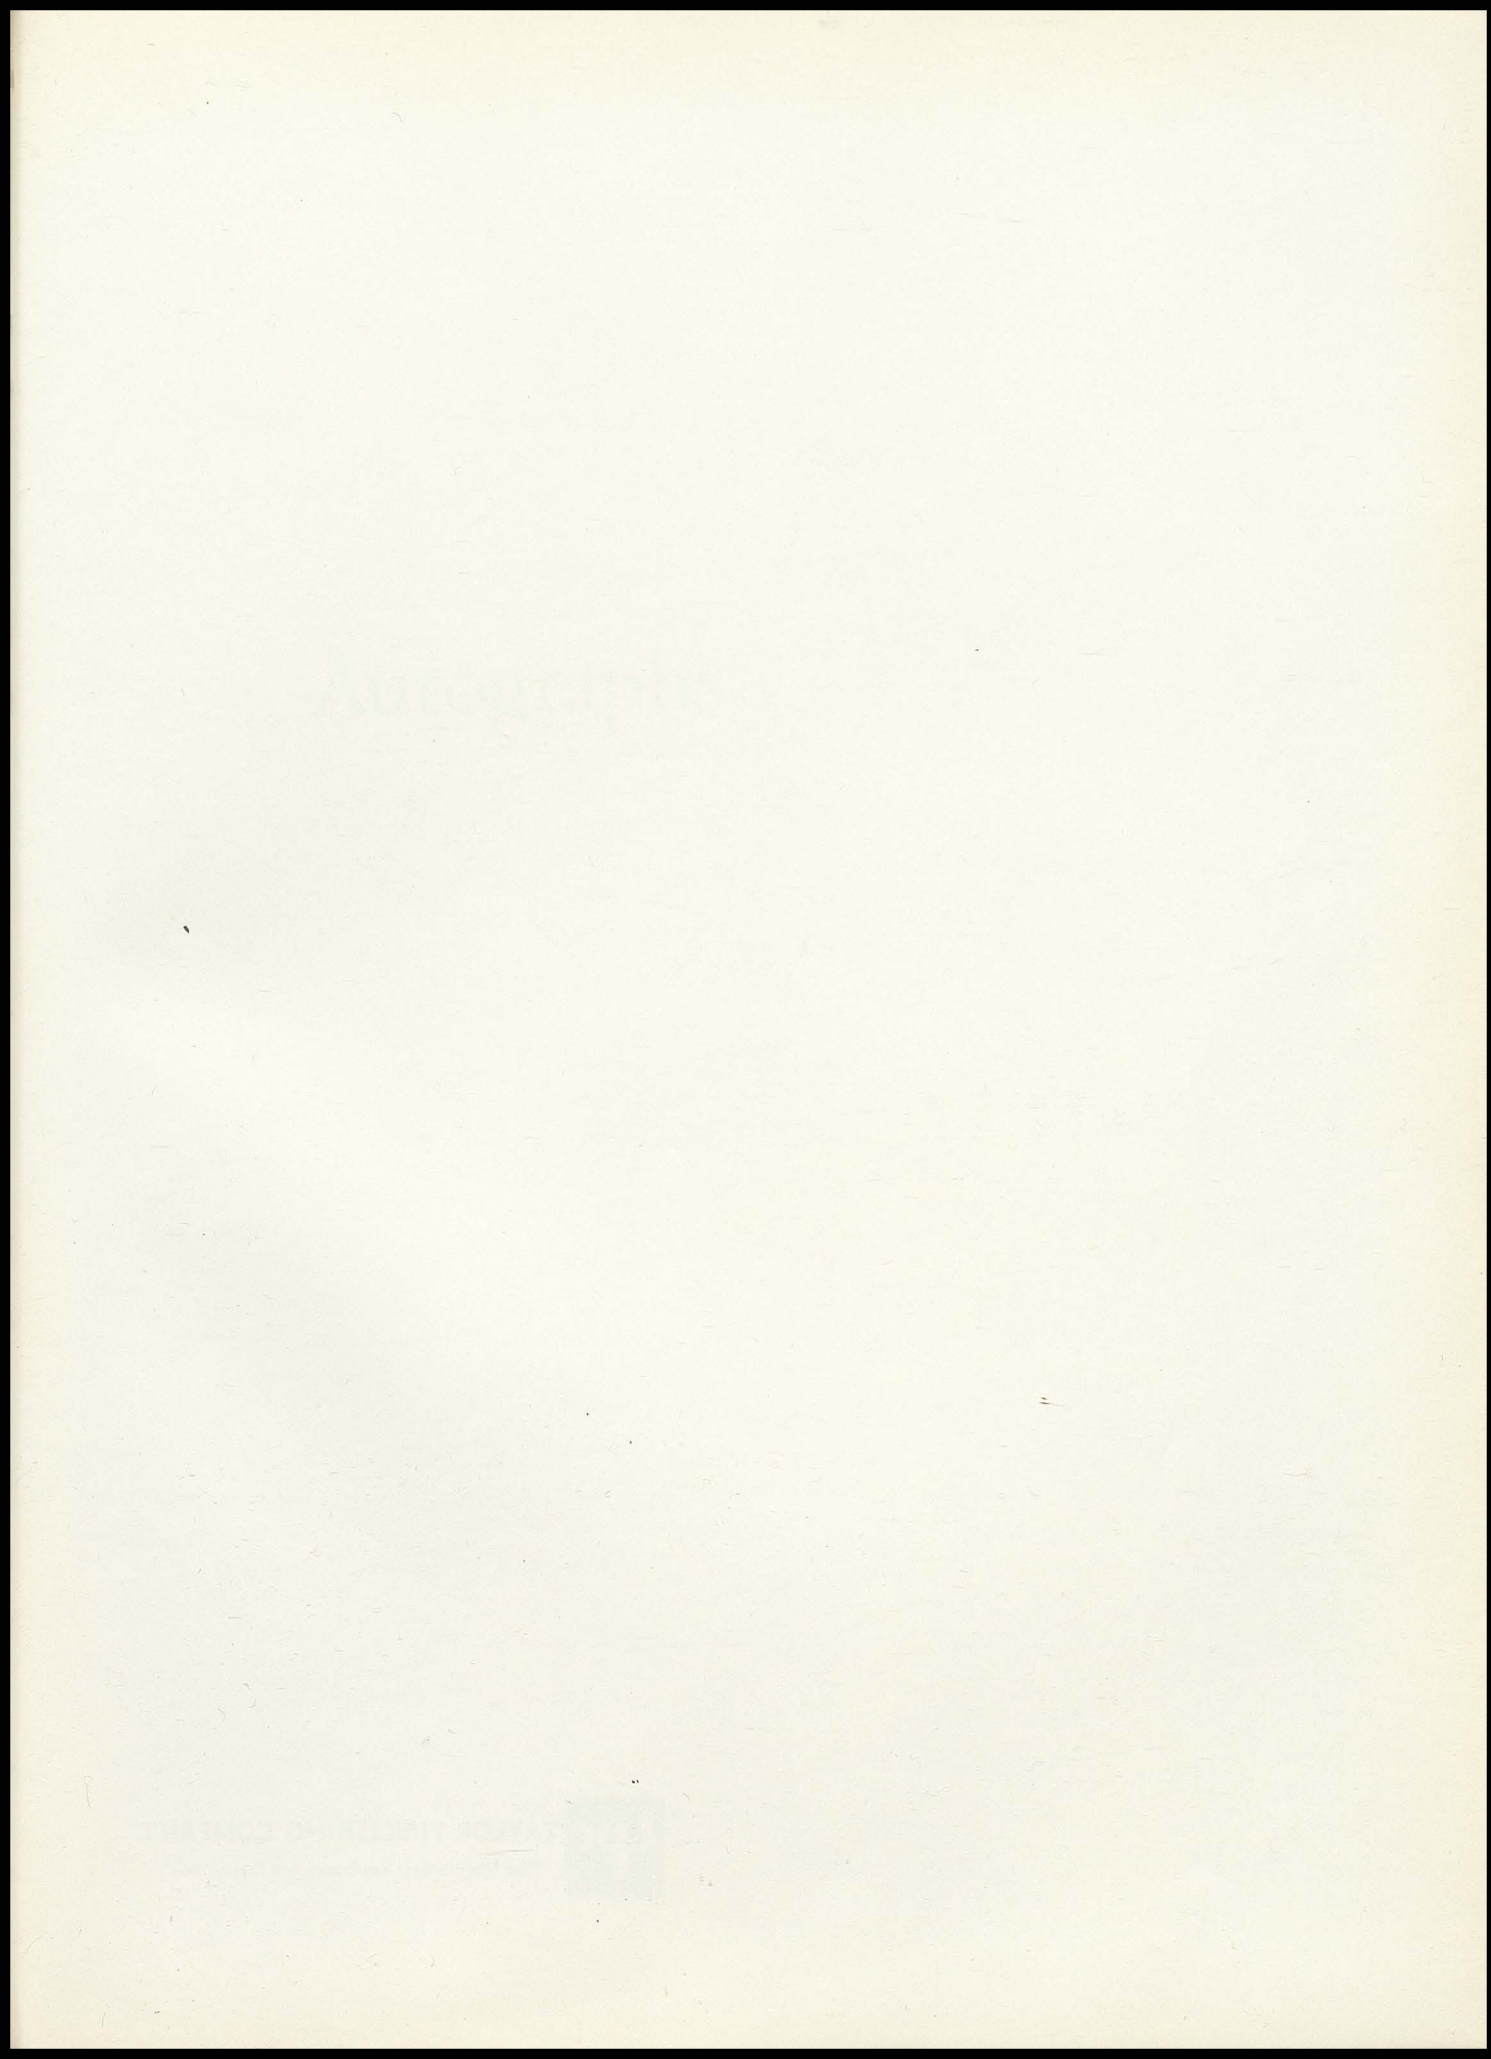

The above mentioned are only a few of the many wonderful people who have helped to preserve the memories of 1971. May we, the 1971 SEQUOYAH Staff, express our great appreciation for the help of the students and wish each of you many fond memories of your years at Fair Park High School.
